Dessert Menu

Strawberry Shortcake

Freshly sliced strawberries in a sweet syrup of pureed fresh strawberries and pure cane sugar, over a sweet and tender scone, baked in house and topped with whipped cream.

Warm Apple Crisp

Made in house with fresh apples, and topped with a sweet and crunchy oatmeal topping, just the way your grandmother would have done. Finished with soft serve vanilla ice cream drizzled with a luscious melted caramel sauce.

Banana Split

a fresh banana sliced down the middle and topped with vanilla soft serve ice cream, hot fudge, warm caramel, cool strawberries, whipped cream and a cherry on top.

Fried Dough

Sprinkled with cinnamon and sugar and served with a warm caramel dipping sauce.

Cheesecake

Freshly baked individual cheesecakes, topped with fresh berries and drizzled with a raspberry sauce.

Chocolate Fondue Two Ways

You choose the one that best suits your mood.

For the fruit lovers, sliced and skewered fruit (apples, bananas and strawberries) ready to dip in a warm fondue of melted chocolate and cream.

For the child at heart, skewered marshmallows and graham crackers for a build it yourself s'mores. Either way, it's chocolate, lots of chocolate and stuff to dip in it, it can't be beat.
